## CONFERENCE SEASON HELPS SPREAD THE SAVVIK WORD

There is nothing more enticing than North Carolina in the fall. The warm temp days begging for visitors to soak up the sun. But to Savvik members it is more exciting to visit because it is the North Carolina Association of Rescue & E.M.S., Inc. Convention / Annual Meeting from September 7-9, 2017 at the Hickory Metro Convention Center.

The expected 400 participants will take part in exhibits, workshops, training classes, rescue & EMS competitions, a trade show, and listen to keynote speakers discuss trending industry topics. Savvik will be available to discuss the benefits that set Savvik apart from its competitors: the vast array of vendors, reasonable costs and consistent philanthropy to the industry it supports.

Expect resource materials including an up-to-date video detailing Savvik's mission, strengths, and testimonials from those who actively work within the field. As the video exemplifies the active workers and their valiant efforts, the customer satisfaction is what keeps Savvik thriving. This is one example of proven and exemplary customer satisfaction.

“It’s a no brainer, by joining Savvik, we’ve definitely saved money on supplies we purchase, plus we get other substantial benefits. They help us tremendously by finding the best prices for what we need, and even helping with delivery of larger items.”

As a veteran participant, Savvik will be on hand at the conference to educate about its affiliation with specific vendors, our commitment to customer service and satisfaction, as well as supply choices. Plus, if the Savvik knowledge isn’t enough, be sure to stop at the Savvik boot for the chance to win a 32” TV. See you at the conference!
