HENRY SCHEIN; HEADLINE OF ITS OWN

Henry Schein is a company title that has become a headline of its own. Like: Lots of reasons to 'shine the light' on Henry Schein. Two names with one powerful punch. The name, the myth, the company. Whatever headline is chosen, Savvik Buying Group is proud of its national contract to support 200,000 medical supplies, equipment and pharmaceuticals for membership.

While Savvik proudly recommends all of its vendors, Henry Schein is a 10 billion dollar, Fortune 500 company that has distributions centers all over the United States. Plus, Henry Schein boasts that 97% of all orders arrive in 2 days or less. Henry Schein, Inc. is the world's largest provider of health care products and services to office-based dental, animal health and medical practitioners, and employs approximately 18,000 Team Schein Members serving more than one million customers. Henry Schein operates through a centralized and automated distribution network, with a selection of more than 100,000 branded products and Henry Schein private-brand products in stock, as well as more than 150,000 additional products available as special-order items.

But this viable vendor has helped the Savvik Buying Group grow its members to 7,000 plus. In fact, here are a few safe bets with a Savvik contract:

- *Our cooperative contract allows members to use our contract hassle-free with the bidding process
- *Savvik will assist in every step of the way to make your experience as smooth as possible
- *The real beauty of this contract is that there are no commitments you have to make, EVER
- *Use the contract at your leisure; buy just the items you need without having to give us your independence
- *As simple as sending the supply list to Savvik and learning how to save money!

It's no surprise that Savvik says save with Schein!
