

# Focus on saving lives. We'll focus on saving you money.

Grainger, Savvik™ (formerly NCEMSC) and National IPA have partnered together to provide a comprehensive Contract for Maintenance, Repair and Operational Supplies to Savvik's current and future members. National IPA is a leading cooperative purchasing company with the specific purpose of reducing procurement costs by leveraging group volume.

Grainger offers a deeply discounted program on Public Safety supplies and it is available to you through a national cooperative contract. You will get a minimum discount of **10% off** on over 1 million products and up to **45% off** on certain categories! Grainger and Savvik have established a Core List of Public Safety items. In addition, this program allows each member to designate their own Custom Core "Hot List" to help you save the most on products you use everyday.
